## SLN-144 Half Cut G1 Mono PERC 395-405W

Excellent low irradiance performance.

Optimized electrical design and lower operating current for reduced hot spot loss and better temperature

## $\downarrow \downarrow \downarrow \downarrow$

coefficient. Certified to withstand:
wind load ( 2400 Pa ) and
snow load (3600 Pa).

$100 \%$ triple EL test
enabling remarkable reduction of
hidden crack rate of modules

## LINEAR PERFORMANCE WARRANTY

$12_{\text {vers }}$
Product warranty

25 years

Power Warranty
0.55.

Annual Degradation 0ver 25 years

## COMPREHENSIVE CERTIFICATES

IS0 9001:Quality Management System
IS0 14001:Environmental Management System Standard OHSAS 18001:International Standart for 0ccupational Health and Sagety Assessment System
